VENTURES

# SHORT TERM PROGRAM APPLICATION PROCESS

Congratulations on your acceptance into your Project Everest program! Your next step is to submit an online application to UOW at the below link:

<https://www.uow.edu.au/student/exchange/forms/UOW017755.html>

This process will allow you to apply for academic credit towards your degree as well as ensure you will be covered under the [UOW travel insurance](#).

Once you have completed your online application, our office will then enrol you into a Moodle site which will have all the information you require.

## Completing a short course application involves the following steps:

1. Begin the [online application](#)
2. Upload the acceptance to your program
3. Upload your [Short Course Credit Approval form](#)
  - a. Please ensure that this has been signed by your Faculty
  - b. You can submit this form to your faculty central office to be signed, along with a copy of the program syllabus
  - c. Your Head of Students for your faculty must then sign off on the Short Course Credit Approval document
4. Complete course details and submit completed application

## OS HELP Loan & Travel Grants

For information on OS Help Loan requirements, how to apply and alternative financial support please see the UOW funding [website](#).

## Travel Insurance

UOW students are covered by complimentary travel insurance by the UOW provider AIG Insurance. Further information regarding your insurance can be found [here](#).

For further information please contact the UOW Office of Global Student Mobility.
